

LEGACY CHRISTIAN ACADEMY'S BIRTHDAY BOOK GIFT

We value frequent reading practice for our Pre-K through 6th grade students. Filling our library with quality reading materials is one of our goals. Partnering with our parents, we can improve the quality and selection of reading materials in our library. We ask families who wish to participate to...

donate a book gift on your child's birthday or on another special day of your choice. We will write the reason in the book if you want.

STEPS:

- 1) Send money to school with your child in an envelope marked BBG (Birthday Book Gift). Include your child's name and grade. Send \$12.00 for a hard cover book donation or \$7.00 for a soft cover book. We don't look at the prices- we just use averages.**
- 2) Your child is sent to the library to shop from our new book selections.**
- 3) He/she finds a special book to donate from the cart.**
- 4) We put a special nameplate in the book for your child.**

- 5) Your child is the first one to take the book home.
- 6) Please take a picture of your child holding the book and send it to ssmitsdorff@lcamn.org because we want to celebrate this in our community.
- 7) Return the book within 10 days and your child will receive a hostess birthday cupcake if his/her birthday was within 30 days of your purchase date. We won't give cupcakes for other donation reasons but we greatly appreciate all donations!
- 8) The book goes into circulation for many others to enjoy for many years to come.
- 9) **EASY AS THAT-** now watch our library and our readers grow!
- 10) Remember to look for donation plates on the inside cover left side of books you check-out from our library.

Note:

The BBG program follows the steps above. We choose the books, have them ready and waiting, and your child shops from the cart. Thanks for supporting our literacy development program and our school.
