We look forward to knowing and working with you to provide a safe and quality experience for your child. We employ well-trained and enthusiastic people who enjoy and understand young children.

We recognize that children in the Adventures 4 Kids Program have a very long school day and that after-school activities must be enjoyable, as well as educational. Our program includes recreational time/active play as well as time for homework, crafts, and quiet time.

In this Handbook, we have identified many ways in which we can work together to provide the best program for your child. Please take the time to familiarize yourself with the information and the policies.

If you have any questions, please contact the Program Coordinator, Lori Rasmussen at 612.247.2278.

We look forward to having your child in LCA's Adventures 4 Kids Program.

State law classifies all data on individuals. This data may not be released to parties other than the parent or eligible student without consent, except pursuant to a valid court order or certain state statutes authorizing access.

Child Abuse and Neglect

Under Minnesota State Law, all staff that work with children are required to report all abuse or neglect of children to authorities.

Pick Up

- Adventures 4 Kids Program is from 2:10-5:30 pm. Parents/authorized adults need to arrange for pick up by 5:30 pm.
- Parents/authorized adults picking up children are to check in with the staff and sign children out before children leave the school.
- In the event your child(ren) is not picked up by 5:30 pm, additional fees will be incurred. Staff will remain with your child(ren) until 6:00 pm. If the staff has not been contacted or is unable to reach anyone listed as an emergency contact, local law enforcement will be notified.

Entering the Building

- A keyless entry device called a fob must be used to enter the building when picking up your child(ren) from Adventures 4 Kids.
- Your assigned fob has been programmed to provide access to the door labeled “OFFICE (Door #4).”
- Touch or hold your fob within an inch of the reader. A red LED light will flash green when it is accepted and the door will release for 10-15 seconds.
- All persons picking up your child are encouraged to utilize the fob, even if another family is entering just prior to you.
- Be mindful of who enters with you at any time. If you should encounter individuals trying to gain access to the building and do not have a fob, please ask them to wait outside and notify our Adventures 4 Kids staff.
- After 5:30 pm your fob will not open the door. At that time you will need to contact an Adventures 4 Kids staff member on her cell phone (see page 1).

Tardies

- You are allowed three tardies per quarter. After the third tardy, the student will be suspended from the Program for one day.
- Consistent tardiness in picking up your child(ren) could result in termination from the Program.

Release of Child to Other Adults

The Adventures 4 Kids Program Coordinator and staff can only release your child(ren) to those adults for whom we have written authorization. If you wish to have friends or relatives pick up your child on a particular day, you will need to provide a written release to that effect and to inform us that day.

Accidents and Emergencies

In the event of an accident, the Program Coordinator will determine the seriousness of the injury, deciding if immediate medical attention is needed. If immediate medical care is needed, the parent will be notified by telephone and 911 will be called to transport the child to the nearest emergency facility. A written report of the accident and actions taken will be promptly filed.

Emergency Care Authorization

We recognize that a working parent cannot always arrange to be available during after school hours. In the event of your child's illness or injury, staff will always try to reach you first. We ask for two emergency contacts to which you would entrust your child's care and support if you cannot be reached. Friends may move or change phone numbers, so alert the Program Coordinator of the changes of names, address, and phone numbers of your emergency care representatives.

Fire Drills, Weather Alerts, and Emergency Evacuations

A plan is posted in each classroom, which explains the action to be taken in the event of fire or weather alert. Staff is trained to execute this plan and will evacuate the building if the need arises. Periodic fire and weather drills are held.

School Closings

Occasionally, winter weather may require a snow day or rare circumstances may necessitate an emergency closing. Please consult your local television/radio stations and LCA's website for school closing bulletins.

Daily Schedule

Adventures 4 Kids Program includes some and/or all of the following:

Physical Activity

The Adventures 4 Kids Program is sensitive to the fact that children are in need of physical activity after school. Therefore, weather permitting the children will have outside/active playtime using LCA's playground. During inclement weather, the children may be in the gym for their active playtime.

Children will follow the same rules on the playground and in the gym after school that they follow during the school day.

Snack Time

Children need to bring their own after-school snack. Occasionally, we will provide a nutritious snack. If your child has any food allergies, please notify the Program Coordinator and include information on the Registration Form.

Homework Time

Children will have time to work on their homework during the Adventures 4 Kids Program. Children should bring homework with them to Adventures 4 Kids each day they attend the Program. It is a student's responsibility to bring their homework with them. Students who do not have homework will have the opportunity to read or be read to.

Your child may not always finish all their homework during Adventures 4 Kids, but they work on it during the time provided. The Program staff will be available if students need help with their homework, but the parents will maintain full responsibility for ensuring the accuracy and completeness of all assignments.

Board Games/Crafts/Movies/Playtime

Each day there is time set aside for children to play board games, crafts, play with toys, and occasional time for an age-appropriate movie.

Behavior/Discipline

LCA will provide a safe environment for your child, both physically and socially. We employ well-trained and enthusiastic people who enjoy and understand children.

Recognizing that children are still developing self-control and socially acceptable behavior, a major goal of the school and the Program staff is to help children learn how to manage their behavior in and out of school.

Adults who work with the children will model courteous and respectful behavior and encourage children to be respectful. Children will learn to follow the rules of group membership, respecting one another's possessions and individual space. In addition, they will learn to share materials, games, books, etc., to wait for turns, and to listen to one another. All children are expected to follow these rules.

Program staff will discipline using biblical principles in discipline. If a child should fail to respond in a positive way to the discipline of staff, then the parents will be consulted. If difficulties continue, the student may be placed on the following plan:

- Removal from the group for the remainder of the day and the next day
- One or two-day suspension from the Program
- Expulsion from the Program for the remainder of the year at the discretion of Adventures 4 Kids staff and the PreK-6th Grade Principal

Discipline Reports are made and placed with student information for each occurrence.
