"Some men came carrying a paralyzed man on a mat and tried to take him into the house to lay him before Jesus. When they could not find a way to do this because of the crowd, they went up on the roof and lowered him on his mat through the tiles into the middle of the crowd, right in front of Jesus."

- Luke 5:18-19

This year's musical focused on a story from Luke 5 about some friends who carried their paralyzed companion on a stretcher in order to see Jesus. The friends do not let the swarming crowds deter their mission. They literally go above and beyond and through the roof! Their faith was put into action, and as a result, the paralyzed man encountered Jesus and was healed! The courtroom setting of Judge Julie was a fun and engaging way for the elementary and middle school students to explore this Bible story in a relevant way, learning about faith, friendship, and loving our neighbors as ourselves. Through this musical, the students were able to learn how to put their love into action and lead people right to the feet of our Savior!
