*"Children, obey your parents because you belong to the Lord, for this is the right thing to do. "Honor your father and mother." This is the first commandment with a promise: If you honor your father and mother, "things will go well for you, and you will have a long life on the earth."*

—Paul in *Ephesians 6:1-3*

We are so blessed to have such great leaders at this school! Our Elementary Principal, Mr. Joel Nydam, does a fantastic job every week facilitating chapels and making it a fun, meaningful, and biblical experience for students. Also, Mrs. Tirzah Gerber joyfully leads students in praise to God, and literally everyone in the room is engaged and participates in the worship time! Today, Mrs. Gerber led students in a fun, action-driven song about the fruits of the Spirit. The message today, given by Mr. Josiah Kennealy, focused on the importance of making good choices that honor those in authority, especially when it comes to honoring and respecting our parents and teachers. Josiah challenged students to think about how the choices they make can have consequences, whether positive or negative, and he shared how God gives honor to those who respect authority and dishonor to those who do not.

### September 21<sup>st</sup>: MRS. PORCIA CARTER

Porcia is on staff with PULSE Ministries and is especially passionate about seeing students choose to live fully for Jesus, rather than chasing popularity, the things of this world, and trying to fit in. She loves to share her story, but loves to share His story even more. She loves to inspire students to a deep and authentic passion for Jesus.
