

Tentative Rehearsal Schedule for *The Sound of Music*

Please note that this schedule is tentative and subject to change based on needs and roles. For example, if I cast someone as Maria who has special conflicts, this schedule might change to accommodate those conflicts if possible. Also, as we rehearse, I might see that one group needs to rehearse more or less. While we have diligently tried to avoid conflicts, not all can be avoided, so please plan carefully any extra conflicts that might come up, such as dentist appointments, etc. Commitment to a program this size is vital; communication regarding any conflict is key! **I am committed to trying to make schedules work for every student, but if a student is consistently missing rehearsals or is consistently late to rehearsal, I will have to consider replacing him/her.** There are several conflicts with basketball, but I am committed to making it work for any basketball player who passes through auditions. Any rehearsals that are missed because of games must be made up during Legacy Periods/lunch.

Younger students (3rd-6th) will be allowed to leave by 8:30 on most nights except for the week of opening night. They will be expected to stay.
