PREPARE: Practical Strategies to Help Parents Prepare Their Children for Christ-like Living in the 21st Century

Today our American culture is communicating powerful messages to your children that go against the truth of the Bible. These messages are reaching children at earlier ages and it is important to start speaking truth to your children at an early age. Join us for a day of talking through many of these hard topics and leave with tools and a practical plan to reach the hearts of your children.

The day will start with keynote speaker Josh Mulvihill sharing "*How to Prepare Your Child for Marriage, Dating, Purity, and Sex: 5 Truths Every Child Needs to Learn*." His talk is based on his forthcoming book "Preparing Children for Marriage." He will walk you through the powerful messages your children are hearing and will encourage you to see the importance of five biblical truths every child should learn.

Whether you have toddlers, grade school children, or teenagers in high school, you will leave equipped and encouraged in your role of preparing your child to navigate relationships and what it looks like to be strong biblical men and women in today's culture.
