### Five-Year Strategic Plan

What an exciting night we had on Monday, September 25 as Legacy's Strategic Plan for the next five years was unveiled. There are 6 initiatives that include spiritual developments for our school culture, new innovations in our curriculum, and an update/expansion to our facility. As we spent time reflecting on the accomplishments of the last five years, sharing the plans for the next five years and the hope of the blessings God will bring, it brought great excitement.

Thank you to all who attended. If you were unable to join us, go to <https://www.youtube.com/embed/hSEnePJ4HXQ> to watch the recording of the evening. Parents should have received a booklet in the mail detailing each initiative.
