### Five-Year Strategic Plan

What an exciting night we had last Monday as Legacy's Strategic Plan for the next five years was unveiled. There are 6 initiatives that include spiritual developments for our school culture, new innovations in our curriculum, and an update/expansion to our facility. As we spent time reflecting on the accomplishments of the last five years, sharing the plans for the next five years and the hope of the blessings God will bring, it brought great excitement.

Thank you to all who attended. If you were unable to join us, click on the video link below to watch the recording of the evening. Parents should be receiving a booklet in the next few days detailing each initiative

## ATHLETICS

### Winter Media Guide Sponsor Opportunities

Winter season is right around the corner and Legacy Basketball and Hockey have opportunities for businesses to sponsor our Media Guide publication. Athletes will start contacting businesses from previous years, but there is always room for more support! If sponsoring our teams with an ad in their Media Guide is something you are interested in, please go to <http://www.lcamn.org/athletics/athletic-forms/> before **October 23**.

### Winter Sports Registration

Registration for winter sports at LCA is now open! Go to <https://legacychristian-ar.schooltoday.com/> to learn more and register your student-athlete. Don't forget to mark your calendar for the 2017 Winter Sports Kick-Off as well. The kick-off will take place on **Monday, October 16 at 7:00 pm** in the Meadow Creek Church Worship Center. Each coach will meet with their respective team following the large group presentation.

### Legacy Clay Target Team - Spring Trap Season Alert!

All students, boys and girls, in grades 6-12 and who are 12 years or older are welcomed to join our Spring Trap Season. However, before you can participate in this sport there is a necessary REQUIREMENT: you MUST obtain a Minnesota DNR Firearms Safety Certification (hunter safety). This certificate can be obtained by taking the online course or attending a classroom setting followed by the Field Day. These classes fill up fast, especially the Field Days. For more information on requirements, classes, and Field Day dates, go to the DNR website at <http://www.dnr.state.mn.us/safety/firearms/index.html>

You can be 11 years old to take the class but must turn 12 by the time of Trap Team League registration which occurs in late February. DO NOT WAIT to get started - DO IT NOW. The Legacy Trap Team Coaches will have an informational meeting in early February with all the details of the upcoming season.

If you have any questions, please contact Todd Foy, Head Coach, 860.423.6544 or [Thefoyboy@msn.com](mailto:Thefoyboy@msn.com)
