Mulvihill Memo

As we equip the minds and disciple the hearts of students, one of Legacy's key objectives is to train up faithful and courageous, servant leaders. At Legacy we are consistently educating and preparing our students to serve others by using their God-given abilities to influence and bless their community. It is a joy to see students take the initiative to stand up for what is right and true. Our world needs educated, biblically grounded leaders who bring hope to a lost world.

Thankful to be a part of a great community,
Jake Mulvihill
