### Legacy Loses One of Its Own - Isabelle Palicka

Information from Joe and Melissa Palicka on the Caringbridge site -

<https://www.caringbridge.org/visit/isabellepalicka>

Our precious Abigail and Isabelle were in a car accident on Thursday evening, April 6 when their car was hit by a truck on the way home from their softball game. Isabelle went home to be with Jesus, and after going to the hospital, Abigail was released on Friday with a concussion. We have been so overwhelmed by the love and support from friends, family, and the communities of Berean Christian Fellowship and Legacy Christian Academy. We are already

witnessing God's mighty hand at work as a result of your many prayers and look forward to sharing some of these in the future.

These times are hard and painful, yet they are not without hope. Paul encourages us to grieve as one with hope because Christ has defeated death. For Christians, death is not an ending but a new beginning. As a result, Paul says we can be sorrowful yet rejoicing because Christians die yet live on. In the midst of pain and grief, we have seen the Church being lived out, love being poured out, peace being experienced that only God can give, and felt confident that He who began a good work will carry it on to completion as He uses this tragedy for His glory.

On **Wednesday, April 19**, we will be celebrating Isabelle's life at Meadow Creek Church in Andover. A public visitation is planned for **9:30 am**, and the service will start at **10:30 am**, followed by a light lunch.

Many have asked how they can help. Here are a few ways:

1. Pray - for our family, for the celebration of life service, for the communities affected by this loss, and for people to be transformed through this tragedy.
2. It has been a blessing hearing from many of you. We would love to read your messages here on the Caringbridge site ~ <https://www.caringbridge.org/visit/isabellepalicka>
3. For those of you who have expressed interest in giving monetarily, we have decided to allocate those gifts to Abigail's future pursuit of college in honor and memory of her twin sister, Isabelle.

The Legacy Community would like to express their deepest sympathy to the Palicka family.

## Thank You To All Of You Who Helped Make The Event A Success

The Gala was a great opportunity to celebrate all the things God has done over the past 40 years and hear a glimpse of where we are going. We came together as a community, reconnected with old friends, and were blessed by hearing the heart of Legacy from Jake Mulvihill.

New this year was a live auction of several Legacy experiences. Principal for a Day and an Art Party with Mr Anderson were so popular we had to offer two of each. Joel Nydam and Jake Mulvihill sacrificed their backs as paintball targets to raise the bids on two paintball parties. These items and others raised \$16,000!

A big THANK YOU to our table sponsors! Due to your generosity, all expenses for the evening have been covered.

So far the Gala raised **\$138,000** towards the Annual Fund! Several people who attended the Gala are still considering giving a gift.

We are so thankful for this community and the support that you have sacrificially made all year. We hope you found the evening to be a blessing.

### DONATE

If you were unable to join us at the Gala, would you consider making a gift? Make a donation at <http://www.lcamn.org/about-us/support-%20lca/give-online/>. Would your employer match your gift?
