Legacy Receives Community Grant

LCA was presented with a Community Grant from Walmart SuperCenter in Andover. Legacy will use the grant of \$1,500 to purchase an AED defibrillator to keep in the Sports Center. In 2010, a Legacy student collapsed on the soccer field, and an AED saved his life. We are grateful to now have a permanent AED in the Sports Center.

"Thank you to Walmart, store manager, Kyle, and all of the staff that celebrated with us today during the presentation of the check," said Jake Mulvihill.

Legacy and Walmart Andover look forward to partnering together in the future.
