Celebrating 40 Years!

40 YEARS. That's how long the Lord has been working in and through Legacy Christian Academy. Throughout those 40 years, we have been able to invest in over 5,000 students! We are excited to see how the Lord directs us in the years to come so we can continue to equip the mind and disciple the heart of each student for Christ-like living.

Thank you students, parents, faculty, and staff for a fantastic 2016-17 school year. We cannot wait to see you back here for 2017-18!

Drama Department Receives High Honor!

Congratulations to Mrs. Winkes and the Les Mis cast and crew on their Spotlight Awards! Spotlight Education is the flagship education program of the Hennepin Theater Trust and engages Minnesota high school students in the performing arts by facilitating an awards program for the best high school musical theater talent in the state.

Mrs. Winkes and the Legacy cast received 14 Spotlight awards and honors this year for their production of Les Mis, one of which was Outstanding Performance as an Ensemble! This is one of the most difficult and highest honors to achieve at this level. Way to go Legacy Drama Department!
