TOMORROW is Minnesota's Give to the Max Day!

All over the state, generous people like you will be giving to their favorite schools or nonprofits. Your gift to Legacy will make a difference to every one of our students.

Every dollar matters. Every donor makes a difference.

You don't have to wait to make your donation. You can schedule it now and it will be processed tomorrow. Please visit the link below and give your donation to Legacy Christian Academy. Invite your friends and family to do the same! Together, we hope to raise \$15,000 and YOU can help us reach our goal!

Thank you for being part of this day of giving! We appreciate you ... to the max!

Go to <https://www.givemn.org/organization/Legacy-Christian-Academy-25> to donate.

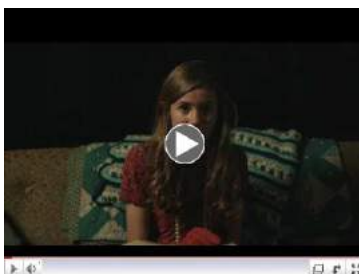

Mulvihill Memo

Why do I get out of bed in the morning? Because I get to help students not only learn to live life successfully but with a solid biblical foundation. What a joy it has been serving the last 15 years at Legacy to help students realize that life is ultimately not about them, but rather they are wrapped up into an amazing adventure in God's world. This adventure will bring them ultimate joy, Truth, a servant-hearted mindset, influence, and boldness that should be unshakeable.

It is an honor to partner with parents to equip the mind and disciple the heart of each student for Christ-like living.

I am looking forward to our strategic planning process. Parents of Legacy students will be receiving an email next week with directions on how to sign up for an optional one-on-one meeting with me on December 12 to share thoughts about their Legacy experience and Legacy's future.

Fall Production - "Screwtape Letters" ~ FINAL WEEKEND!

- **November 17 - 7:00 pm**
- **November 18 - 2:00 & 7:00 pm**

One more weekend - only three more shows left and tickets are selling fast. Don't miss this powerful performance. Here's what last week's audience members are saying:

"I was blown away by Legacy's performance of the Screwtape Letters. I knew it would be a powerful play, but I did not anticipate how directly it would impact me and remind me of how slowly and without us even noticing, the enemy can distract us from our true calling in life: to love God and to make Him known to others. If you did not get a chance to see it this weekend, they are performing it next weekend (11/18-11/19) as well. It will be well worth your time!!" Jen Johnson, Legacy Parent

"That has to be the most powerful play Ben and I have ever been to. I teared up several times. We are so glad our kids got to see that and we will refer to it in our home often. The battle is real - Thank you for portraying that so beautifully & artfully. This is a play that will leave a lasting impact on all of us. Just incredible." Rachel Minks, Legacy Parent and Alumni

"Tonight, I witnessed a production at Legacy unlike any I've ever seen or been a part of myself. I'm not one to be left speechless, but that team accomplished doing so. For those of you who haven't seen the show yet, if you can, please support them." Legacy Alumni

"Very blessed by *The Screwtape Letters*. Another phenomenal performance with an impactful message." Deb Morey, Former Legacy Parent

"So blessed by the Drama Department at LCA - super powerful portrayal of the spiritual warfare that goes on all around us and the mighty power God has over the darkness that seeks to trip us up. It will be back on next weekend - don't miss it!" Jim Johnson, Legacy Parent and Board Member
