Greetings Legacy Prayer Partners,

Wow, can you believe it? The 2016-2017 school year is almost 2 weeks in! I'm looking forward to the great things God will be doing in and through Legacy this year. Would you join me and our team of prayer partners in covering these areas in prayer to God? Think: spiritual, emotional, physical, social and mental when you pray for these items.

Overarching Prayer Themes for the Year

1. The Legacy community would be fueled by a culture of honor through spiritual development—be the norm, in all relationships at school (staff, students and parents). A culture that honors above themselves and is welcoming.
2. The Legacy junior and seniors would lead well in a unifying, God honoring way.
3. The Legacy staff and students would grow in their love for Christ.
4. The new staff and students to transition well and feel a part of the community quickly.

Teacher/Staff Lives – pray for strength, knowledge and spiritual wisdom as they teach students

- God would bring our enrollment to 480 students this year
- The strategic plan rollout to parents that will happen on Sept. 25. Pray that the documents and presentation will cast a vision that parents and students get excited about while seeing Christ and our mission in it. The theme for the strategic plan is "Beyond Imagination" and comes from Ephesians 3:20-21.
- Our first fundraising event, the MANE Event; we are praying for \$25,000.
- Staff Development day – for productivity and for unity
- Parent/Teacher conferences (9/28 & 9/29)

Parents/Supporters Lives

- Smooth transition, routines to be established and open lines of communications between the school, Legacy Parents Association and the parents
- Parent Meeting Night with Duffy Robbins (10/3) – preparation, attendance, preparing the hearts of those attending.
- Pray for families who are hosting international students for the year

Prayer Thoughts for the Month: “One of the greatest responsibilities of parenthood is praying for your kids, but an even greater responsibility is *teaching your kids to pray*. Don't just pray for them; pray *with them*. Praying for your kids is like taking them for a ride; praying with your kids is like teaching them to drive. If all you ever do is pray for your kids, they'll just stay in the backseat. Your kids will become spiritual codependents who ask you for a ride anytime they need to get somewhere spiritually. But if you *teach them to pray*, they can download directions themselves and make their way to where it is that God wants them to go.” –Mark Batterson, Praying Circles Around Your Children

Galatians 6:9 says, “Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up.”
