THE IMPORTANCE OF CHRIST-CENTERED THEATRE

Here at Legacy, God's truth is not just welcome. Even more so, it is essential. Through academics and extra curricular activities, students have the opportunity to grow vitally in their faith and fellowship with each other and with their Savior. Our Theater Department thrives and depends wholly on the truths that God is sovereign, that our talent comes from Him, and that we are called to use our talents with excellence and integrity, as well as to bless others and glorify God above all things.

WHAT STUDENTS WILL BE TAUGHT

The Legacy Theater Department consistently teaches vital theater skills to the upperclassmen. We believe that all students, even at the younger ages, have the capability to learn and cultivate such skills early on. Our goal is for students to have access to a fun after school environment, and at the same time learn more about theater. Students will be involved in learning fun improv games, character development skills, movement/dance technique, and what it means to use theater to glorify God.
