

## *Merry Christmas from Global Connections* ✨

## *Happy holidays from around the world*

Legacy Christian Academy students gathered in the cafeteria kitchen for a traditional American Christmas party last week. Students baked Christmas cookies, decorated greeting cards and participated in a gift exchange. We enjoyed singing and dancing to holiday music and celebrating The Season with one another. We look forward to sharing culture and friendship in 2018. We wish you a Merry Christmas and a Happy New Year everyone!
