## • KEY VERSE •

Training the body has some value. But being godly has value in every way. It promises help for the life you are now living and the life to come.

1 Timothy 4:8, NIV

## • THIS WEEK •

Ted did a great job furthering our discussion of commitment and focused on being committed to praying to God. He encouraged students to make a commitment to prayer because it is a game changer in growing closer to God. Ted reviewed the model Jesus gave us for prayer in Luke 11:1-4, which we know as "The Lord's Prayer." He explained each phrase in a simple way so that students could apply this Biblical prayer model in their own lives. Ted taught that you can pray to God at any time and in any place and that we need to practice this, just like any other thing we want to become better at. Lastly, Ted challenged the students to not just pray once a day for the rest of the month, but to pray once a day for the rest of the year!
