MAKING A PLAN AND
PUTTING IT INTO PRACTICE

• KEY VERSE •

Training the body has some value. But being godly has value in every way. It promises help for the life you are now living and the life to come.

1 Timothy 4:8, NIV

• THIS WEEK •

Mr. Schultz introduced himself as an alumni whose third best decision was to attend Legacy: the first was giving his life to Christ, the second was marrying his wife, and the third was attending Legacy! He discussed how we typically talk to people about the weather, or where we live, and what we do; yet these things aren't the things that are most important in our lives. What is truly and eternally important is talking about Jesus with others. Mr. Schultz encouraged students to practice, practice, and practice even more when it comes to talking about God. The Bible says to be ready to give an answer for why we believe and Mr. Schultz challenged students to be ready to talk to whomever comes your way! He left the students with three practical ways to practice talking about God: 1) talk to your parents and teachers about Jesus; 2) write down a sentence or two about what Jesus means to you that you can share with others; 3) tell Jesus what He means to you when you pray to Him.
