Health Office

The "flu" season is upon us. We are seeing an increase in influenza activity throughout the state of Minnesota and we are seeing cases at our school. At Legacy we want to do everything possible to keep your student safe and healthy. In order to prevent the further spread of the illness, we are asking all students and staff to stay home if they have influenza or influenza like illness (ILI). Influenza like illness is defined as a fever of 100.0 degrees Fahrenheit or greater and cough or sore throat (in the absence of a known disease other than influenza).

Here are some ways you can fight the flu:

- Stay home if you are ill. Stay home until fever is gone for more than 24 hours without fever reducing medications (ibuprofen/Advil or acetaminophen/Tylenol).
- Wash hands with soap and water thoroughly and often.
- Consider getting an influenza vaccine. It is not too late.
- Cover your cough and sneezes.
- Clean frequently touched items with a disinfectant.
- Drink lots of water, eat a balanced diet, and get plenty of rest.

In the Health Office we are tracking cases of influenza and ILI. Please let the Health Office know if your student gets influenza or has an ILI. This information is kept confidential.

We are also seeing an increase in stomach bugs causing vomiting and/or diarrhea. Please remember if your student has symptoms of a stomach bug, keep them home for at least 24 hours after their last episode of vomiting or diarrhea.

The Minnesota Department of Health has a lot of helpful information that can be found at this link:

<http://www.health.state.mn.us/divs/idepc/diseases/flu/school/fluschools.html>

Spring Sports Registration

Spring sports registration opens online on **Monday, January 29.** Our in-house activities for spring include: Baseball, B/G Golf, Softball, B/G Track & Field, and Trap Shooting: Clay Target. We also offer B/G Lacrosse through our Andover HS co-op. Register now at <https://legacychristian-ar.schooltoday.com/> to help us determine the number of teams we need to prepare for this spring. Remember, that the registration deadline is 2 weeks prior to practice start. Registration after the deadline is subject to a 20% fee increase. Below are the practice start dates for each team:

Softball - March 12
B/G Track & Field - March 12
Baseball - March 19
B/G Golf - March 19
Clay Target - April 1

Join the Legacy Clay Target Team

The Legacy Trap team belongs to the Minnesota High School Clay Target League which in 2017 included more than 343 high schools and 11,040 student athletes.

This year will be the Lion's 5th season participating in the league. We shoot 2 rounds of Trap each on Monday and Thursday evenings in April and May.

Our team consists of boys and girls in grades 6-12 who have obtained their hunter's safety certificate. Participants must be at least 12 years old by April 14. If you have never shot trap before, no problem - we have coaches who can teach you how! You do not even have to own a gun to participate.

If you are interested in giving Trap shooting a shot, please contact our Head Coach Todd Foy at foyboy@msn.com or 860.324.6544.

Our priorities are safety, comradery, and marksmanship!
