### In Search of Quilting Moms or Grandmas!

We have 12 students who will be making a lap quilt for a local nursing home during Winterim. A curriculum has been organized and basic materials prepared. Each new quilter has a machine that will be their personal machine. There are 3 areas where we would LOVE to invite you to join us:

1. Do you have any cotton quilt batting that you would like to donate? Minimum size of 44" by 66"
2. Might you be willing to share your knowledge and support our new quilters? We meet from **11:00-2:10 each day from January 2-5**. Come join us in sharing our craft! Our students are wonderful and very excited to create a gift for an elder.
3. We would love to borrow a few durable items that you may have to share:

Large self-healing cutting mat  
Large cutting templates  
Rotary cutters
