Monday, February 5 was an exciting evening for our community. Throughout the evening students, staff, and administration showed many examples of the relevant learning taking place as well as different ways the Strategic Plan is moving forward. If you were unable to attend, we invite you to watch the presentation through video.

Health Office

The "flu" season is upon us. We are seeing an increase in influenza activity throughout the state of Minnesota and we are seeing cases at our school. At Legacy we want to do everything possible to keep your student safe and healthy. In order to prevent the further spread of the illness, we are asking all students and staff to stay home if they have influenza or influenza like illness (ILI). Influenza like illness is defined as a fever of 100.0 degrees Fahrenheit or greater and cough or sore throat (in the absence of a known disease other than influenza).

Here are some ways you can fight the flu:

- Stay home if you are ill. Stay home until fever is gone for more than 24 hours without fever reducing medications (ibuprofen/Advil or acetaminophen/Tylenol).
- Wash hands with soap and water thoroughly and often.
- Consider getting an influenza vaccine. It is not too late.
- Cover your cough and sneezes.
- Clean frequently touched items with a disinfectant.
- Drink lots of water, eat a balanced diet, and get plenty of rest.

In the Health Office we are tracking cases of influenza and ILI. Please let the Health Office know if your student gets influenza or has an ILI. This information is kept confidential.

We are also seeing an increase in stomach bugs causing vomiting and/or diarrhea. Please remember if your student has symptoms of a stomach bug, keep them home for at least 24 hours after their last episode of vomiting or diarrhea.

The Minnesota Department of Health has a lot of helpful information that can be found at this link:

Senior Projects

Come and see the latest project of the Advanced Drama class - the Senior Projects!

We are excited about the projects of the seniors, as they bring a short project to life on the stage! They choose the show, audition the cast, and direct every aspect of their show from top to bottom! These wonderful projects are FREE, and they are coming to our theatre in the school-side Chapel on **Saturday, February 24 at 2:00 pm!** Since there are 5 senior/shows, we have divided the family-friendly ones and the PG-13 ones with an intermission! The family-friendly ones will be first, then the families are welcome to leave at intermission, and the older audience can enjoy the rest of the shows.

ALSO! For those of you who are looking to buy *MY FAIR LADY* tickets, this will be the first time tickets are available! Doors will open at **1:00 pm** in order to accommodate any lines! Thank you in advance for your support of the Drama Department. We could not do shows without an audience, so thank you so much!!

Spring Sports Information Night: Date Change!

As many of you noticed in the Spring Athletic Newsletter, we have pushed back the date of the Spring Sports Information Night by one week. The new date of the meeting is **Monday, March 5**. This change was made to avoid conflicting with the HS Orientation scheduled for February 26 and to allow us to start at 7:00 pm rather than 7:30 pm. We hope this change will make it easier for all of our families to join us that evening.
