

Welcome to Sixth Grade,

May 18, 2018

**“This is the day the Lord has made, let us rejoice and be glad in it!”**

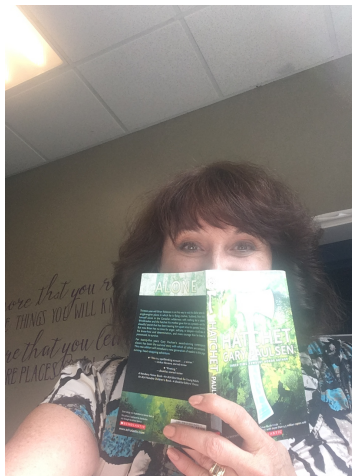

My heart is full of excitement for the year we have ahead of us. It will be a blessing for you and your family and will bring glory to God.

Because research has revealed that reading at least four books during the summer break will help a student retain their reading level, one of our summer requirements is that our incoming sixth graders read the book *Hatchet*. This survival book creates the intriguing possibility of living a great adventure on one's own.

It is important that we read three books in addition to this book. Because we will be doing a short novel study on the book during the first week of school, it is best to read *Hatchet* right before school starts on August 20th. You will receive this book as a gift from LCA!

Happy Reading!

Mrs. Joleen Kubiszewski

PS. Attached is a list of recommended books to read and a chart to keep track of the books you are reading over the summer.
