• THIS WEEK •

At the start of chapel, Mr. Keefe encouraged the kids to remember what we are doing every Wednesday. We want to love God, love life, and love others, and we are doing that through learning different stories and characters in the Bible. It has been a great month at chapel learning all about initiative through the story of Nehemiah. The students have been consistently reminded that to show initiative means to see what needs to be done, and doing it! After Mrs. Gerber led the students in worship, Justin Domino came onto the stage to teach the students a final lesson about initiative. He told the students about the end of the book of Nehemiah. After the city was re-built, Nehemiah and the Israelites did not give glory to themselves, instead, they praised God for the work that He had done! Justin then challenged the students to think about how they can praise God for the work he is doing in their lives, and in the lives of their families!
