CHRISTIAN ACADEMY

• THIS WEEK •

After a great Spiritual Emphasis Week and a great month learning about initiative, we are continuing to encourage the kids to love God, love life, and love others through the character trait of contentment. We want to encourage the kids this month to decide to be okay with what they have. We believe that content hearts are grateful hearts, and our hope is that kids ultimately find their contentment in what Jesus has done for them. This was the main message that Mark Katzenberger brought as he kicked off our new theme for the month of October. He told the story of Paul's time in prison and how despite terrible circumstances, God helped him to be "okay no matter what." In the book of Philippians, Paul's contentment in his conditions led him to say the famous words, "I can do all things through Christ who strengthens me." Mark closed by challenging the students to practice contentment this week at home and school!
