

Inventor's Workshop - Presented by Bricks at Work

Description: LEGO bricks may just seem like a favorite toy of childhood, but "Children never outgrow LEGO - they just build bigger and better things!"

Explore advanced LEGO building concepts that will prove challenging and fun, such as Derby Car designing, working with LEGO gears and motors, and building large-scale kits in the Inventor's Workshop LEGO Club!

Registration: Register online today at bricksatwork.org/lca

Grades: 7th -12th Grade

Cost: \$35.00

Dates: Wednesday, March 20 & March 27

Time: 2:15 – 4:00 p.m.

Location: Legacy Christian Academy, B102

Details: Follow up with ideas, questions, or concerns by e-mailing info.bricksatwork@gmail.com
