Our Profile of a Legacy Graduate explains our desired student outcomes and as a result impacts the way we teach our classes, invest in our students, and make decisions. Legacy recognizes that achieving these outcomes in the lives of LCA students is impossible without the commitment of the students and the help of the Holy Spirit. Legacy will partner with parents; create an academically excellent, Christ-centered environment; provide opportunities for growth; and plant the seeds for God to transform and work in the lives of our students.
