CAR PICK UP SIGN

AFTER SCHOOL CAR PICK-UP

A SMALL REQUEST

Parents - thank you for your patience during after school pick up. You are doing such a great job and we are so thankful for how you are working with us during this period of time with no busing.

That being said, it would be super helpful if all cars placed the pick up sign in the **passenger side window**. From this placement we can easily read your sign regardless of your car type/model/size and quickly locate your child to bring them to you.

Thanks for all you do!
