HEALTH OFFICE

FALL ILLNESS UPDATE

SYMPTOMS & NEXT STEPS

Legacy families, let's stay healthy! As in any school year, we are hitting the point where we are seeing increased incidences of illness. As the COVID-19 pandemic lingers, we are still required to follow MDH & MDE guidelines for health and safety in schools. Here's a quick reminder of what to look for and what to do!

ONE OF THE FOLLOWING SYMPTOMS:

1. A new, persistent cough.
2. Shortness of breath.
3. Fever (+100.4) or chills.
4. New loss of smell/taste.

OR TWO OR MORE OF THE FOLLOWING:

1. Gastrointestinal symptoms of nausea, vomiting, or diarrhea.
2. A new sore throat.
3. New muscle aches.
4. Congestion/runny nose.
5. Headache.
6. Excessive fatigue.

If you answer "yes" to any of these screening questions we ask you to stay home, stay away from other people, and contact your health care provider

and the School Health Office.

Our current COVID protocols are put in place by the LCA School Board and Administration in consultation with School Health Office staff and local experts.

LEGACY THEATRE PRESENTS

THE MOUSETRAP - OPENING NOVEMBER 12

Eight strangers find themselves snowed in at the drafty Monkswell Manor...unaware of their plight as a crazed murderer lurks among them! Will they piece together enough clues to single out the culprit before it's too late? With a cast of 8 eccentric characters, this two-act whodunit will keep you guessing until the very end!

Accompanied by an ensemble cast of wait staff serving a full menu of desserts *(catered by the regionally acclaimed Truffles and Tortes based in Anoka, Minnesota!)* alongside a few scoops of Monkswell intel, this LCA fall production turned dessert theatre will surely be like none other!

Tickets go on sale Monday, October 25
