HOMECOMING FUNDRAISER

GOAL: EMPOWER OUR STUDENTS TO CULTIVATE A HEART OF GIVING.

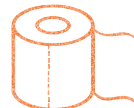

This year, our Homecoming Fundraiser will support two tangible needs of Student International, the organization Legacy partners with for the Senior Mission Trip to the Dominican Republic.

PRE-K & ELEMENTARY

Student International needs a ping pong table at the Base so that missionary families and friends can play together!

During Homecoming Week, elementary students can contribute \$3 to add a ping pong ball to the daily progress display, aiming to reach our total goal of \$600 per table.

MIDDLE & HIGH SCHOOL

Imagine an entire school sharing only one bathroom! This is the reality for Mata Gorda, one of Student International's ministry sites. The middle and high school goal is to fundraise the construction of a much needed second bathroom for this preschool.

During Homecoming Week, middle and high school students will have the opportunity to give \$10 toward the project. We need full participation to fund the construction of the entire bathroom.
