

**POSTING DATE:** May 2024  
**POSITION TITLE:** **Technology and Innovation (K-4) Teacher**  
**REPORTS TO:** PreK-4 Principal  
**STATUS:** Full-Time; Exempt  
**START DATE:** August 2024  
**HOURS:** School calendar and hours of operation.  
**CONTACT:** [HR@lcamn.org](mailto:HR@lcamn.org)

**Overview:**

LCA hires staff who care about the spiritual and academic growth of their students, who maintain high academic standards, and who love Christ and live by biblical principles. LCA has a close-knit staff and faculty who join together for prayer, biblical worldview training, celebrations, and staff development.

As a LCA employee, it is essential and foundational to understand, live out, and agree wholeheartedly with Legacy's Statement of Faith, Social Stances, Core Values, and the Profile of a Legacy Employee.

As the Technology and Innovation Specialist for K-4<sup>th</sup> grade, this position will collaborate with Innovation/Technology colleagues to design and prepare creative activities for students for the assigned grade levels and classes they will teach. They will support in student creativity and design thinking process, lead in building the scope and sequence of each class, and work collaboratively with their supervisor to grow the innovation and technology programs at Legacy.

The Technology and Innovation Specialist will also connect with classroom and specialist teachers to support learning and to enhance the overall experience of students.

**Job Requirements & Qualifications:**

- Possess a strong Christian faith with a solid knowledge of the Bible, a growing personal relationship with Jesus Christ, and a demonstrated character of integrity. Believe and actively support the school's Statement of Faith.
- Possess a passion for Christian education and student discipleship. Individual must be comfortable connecting the biblical truths and worldview perspectives to their students' lives.
- Comfort with or openness to learning school management software and other online teaching tools such as Google Classroom and the Google suite.
- Possesses an innovative mindset.
- Ability to work with all functions - administration, support staff, other faculty, and students.
- Bachelor's degree from an accredited college/university.
- Teaching license preferred.
