LEGACY CHRISTIAN ACADEMY

DEAR LEGACY FAMILIES,

Welcome to the 2025-26 school year! God has a perfect plan for your family at Legacy this year, and I look forward to seeing it unfold.

This year marks the culmination of our **Courageous Faith Strategic Plan** and its final strategic initiatives. God's provision has been unmistakable and the impact on our students and their experience has been profound.

This fall, we look forward to **finalizing the purchase of Meadow Creek Church**, a strategic step to secure the future of Legacy and provide enhanced educational opportunities for our students.

Academically, **Legacy students continue to excel**, consistently performing **1-2 grade levels above national averages** in math and reading. Even more importantly, our students are **growing in their walk with Jesus**—a testimony to our caring staff and the intentional discipleship that defines our community.

Our mission remains steadfast: to **equip the mind and disciple the heart of each student for Christ-like living**. Each day, our pursuit is to transform each child through **knowing, discipling, and preparing**.

As we start the process of writing our next strategic plan and look ahead to Legacy's 50th year, I am excited for all God has in store. I look forward to the life transformation and growth that will happen in our students this year!

Thanks for partnering with us,

JAKE MULVIHILL, Head of School

 **SAFETY AND SECURITY NOTES:** Legacy has adopted the Standard Response Protocol (SRP) used for crisis communication throughout Anoka County. The SRP provides a consistent and common language for emergency situations in schools and communities with five actions—HOLD, SECURE, LOCKDOWN, EVACUATE, and SHELTER—to provide clear directives for staff, students, and first responders during various emergencies. This standardized approach enhances safety by promoting predictability and efficient communication in critical incidents.
