HOW TO GET
INVOLVED

NEW TEACHERS & STAFF:

Scan below to view the online **Teacher/Staff Directory**! Select Staff Updates under Department to see our new faces and spaces for this year!

HOW TO GET INVOLVED:

Join the Legacy Parent Association (LPA), Moms Who Pray or Dads Who Pray, volunteer and attend events, or participate in your child's classroom!

SAFETY AND SECURITY NOTES:

Earlier this summer, Legacy partnered with **Solid Rock Construction & Clear Armor** to have **ballistic and riot-resistant film** installed on multiple doors and windows. Engineered to meet rigorous threat-mitigation standards, these protective laminates reduce shatter and bullet risks and create a critical forced-entry delay of **up to several minutes**, dramatically expanding the vital window of response time available for law enforcement and emergency lockdowns. This additional layer of security is a next step in our strategic initiatives toward maximizing campus safety for our students and staff.

Celebrating 50 Years BACK 2 SCHOOL LEGACY CHRISTIAN ACADEMY

DEAR LEGACY FAMILIES,

The 2026-27 school year is almost here, and we are excited to welcome you back to campus.

This fall marks a historic milestone as we celebrate **50 years of Christian education** on our campus. What began in 1976 as Meadow Creek Christian School with just 100 students and six staff members has, by God's grace, grown into a thriving community of nearly 950 students and 500 families. Since becoming Legacy Christian Academy in 2010, God has continued to bless and expand the impact of our mission.

As we celebrate this special anniversary year, we will honor the people, stories, and defining moments that have shaped Legacy into what it is today. We invite you to celebrate God's faithfulness with us and reflect on the countless lives that have been transformed through Christ-centered education over the past five decades.

This year marks the second year of our **Rooted: Known · Disciplined · Prepared Strategic Plan**. We are excited to take meaningful steps toward that vision and continue investing in the spiritual formation, academic preparedness, and personal growth of every student.

As you return to campus this fall, you will see several exciting developments:

- **New Elementary Classrooms:** *The former theater has been transformed into five new classrooms, creating enhanced learning environments for our elementary students.*

- **Campus Improvements:** *Construction of the new Meadow Creek Church campus remains on schedule for completion by Christmas. This will allow us to begin planning how we can elevate our student experience with an additional 17,000 square feet starting in January. Initial work has also begun on new high school baseball and softball fields as part of our long-term Master Site Plan.*

- **Expanded Student Opportunities:** *Students will experience exciting new opportunities through the launch of our Nursing Assistant (CNA) certification program, the introduction of our Engineering and Design Career Pathway, implementation of a new elementary literature and phonics curriculum, and a two-day freshmen retreat focused on building community and deepening spiritual growth.*

As we celebrate 50 years of God's faithfulness, we are grateful that you continue to partner with us in equipping the minds and discipling the hearts of the next generation.

In Christ,

Jake Mulvihill
